

1. STOP and WAVE!

In an effort to maintain staff and client health, we are only allowing CVC staff members inside the hospital.

2. CONCIERGE SERVICE

Please call from your car when you arrive to check in. We will be right out to bring your pet in for care or bring meds/food out to your car.

3. INTROVERTS, UNITE!

Please avoid handshaking and hugs. We enjoy air fives & tail wags!

4. GOT COOTIES?

If you are feeling sick, please reschedule your appointment or have someone else bring your pet in.
